WINCHESTER
COLLEGE

Winchester College is pleased to support Heritage Open Days 2018, celebrating access to the history, architecture and culture of Winchester.

Welcome to WINCHESTER'S HERITAGE OPEN DAYS

Heritage Open Days (HODs) is a wonderful day out, whether with family, friends or exploring on your own. There are walks, workshops, pop-up performances, exhibitions, living history and spoken word events – along with family-friendly activities. This year our *Extraordinary Women* theme showcases community heroines whose history has been overlooked or forgotten. All these events celebrate our amazing heritage, and every event is free!

A huge thank you goes to our lead sponsor, Winchester College, for its ongoing support and for extending its warm welcome to the whole community by hosting so many wonderful events this year. We are also very grateful to Hampshire County Council for allowing us the use of the Great Hall and to the City of Winchester Trust for their invaluable help.

At HODs, we believe that heritage belongs to everyone and we are always keen for new people to get involved. Why not come and join our dynamic community and share and celebrate the stories and places you care about? Together we can make heritage fun!
